To receive an exemption to vaccination/examination, a parent or legal guardian must provide a statement detailing the religious beliefs that prevent the child from receiving each required school vaccinations/examination being requested.

In the space provided below, state each vaccination or examination exemption requested and state the religious grounds for each request. If additional space is needed, attach additional page(s).

Religious Exemption Notice:

No student is required to have an immunization/examination that is contrary to the religious beliefs of his/her parent or legal guardian. However, not following vaccination recommendations may endanger the health or life of the unvaccinated student, others with whom they come in contact, and individuals in the community. In a disease outbreak, or after exposure to any of the diseases for which immunization is required, schools may exclude children who are not vaccinated in order to protect all students.

I have read the Religious Exemption Notice (above) and have provided requested information for each vaccination/examination being requested for religious exemption.
